Schedule D, Part V, Line 4 - The endowment consists of permanently restricted funds that were established by two private foundations located in Pittsburgh PA. The earnings on these funds are temporarily restricted to benefit and support the Council in implementing research findings and develop new tools which will assist judges and courts serving the needs of children and families. An endowment spending policy has been adopted in order to help preserve and grow the endowment.

Schedule D, Part X, Line 2 - The Organization is a nonprofit organization exempt from federal income taxes on income other than net unrelated business income under Section 501(c)(3) of the Internal Revenue Code. No provision for federal or state income taxes is required for the year ended September 30, 2017, as the Organization had no taxable unrelated business income. The Organization follows the authoritative guidance relating to accounting for uncertainty in income taxes included in Financial Accounting Standards Board Accounting Standards Codification Topic 740 Income Taxes. These provisions provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's consolidated financial statements and prescribe a threshold of "more likely than not" for recognition and derecognition of tax positions taken or expected to be taken in a tax return. The Organization performed an evaluation of uncertainty in income taxes for the year ended September 30, 2017, and determined that there were no matters that would require recognition in the consolidated financial statements or that may have any effect on its tax-exempt status. As of September 30, 2017, the statute of limitations for tax years ended September 30, 2014 through September 30, 2016 remains open with the U.S. federal jurisdiction or the various states and local jurisdictions in which the Organization files tax returns. It is the Organization's policy to recognize interest and/or penalties related to uncertainty in income taxes, if any, in income tax expense.

**Part IV Supplemental Information.** Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.

Schedule I, Part I, Line 2 - The Council monitors subrecipient activities throughout the program period via reporting and regular contact. Additionally the Council obtains and reviews subrecipient audit reports for each applicable fiscal year, and ensures appropriate and timely corrective action has been taken in response to any audit findings. Monitoring Steps 1) Budget Detail Overview - Approved subrecipient award applications contain a detailed budget. The budget detail must provide enough information to determine appropriate allocation of funds in the identified categories. Additionally, the budget must specify how the subrecipient arrived at the figures by detailing and showing appropriate calculations. The budget narrative should explain and justify the requests. All requests are to be reasonable and credible to the specific budget categories. 2) Certified Assurances and Grant Conditions Overview - All award applications will have Certified Assurances and Special Conditions attached. These documents contain an overview of the restrictions placed on receiving federal and or state funds. Any clarifications on meanings or interpretations will be decided by the Council. The Council uses a risk based approach to determine the extent of monitoring required. Based on the risk assessment, it may be determined that a monitoring site visit or desk audit is required. For federal awards, if a special condition is not passed to the subrecipient, that decision should be well documented and approved by the Council's Chief Financial Officer. 3) Invoices review - Upon receipt of an invoice or request for payment from a subrecipient, the Council reviews and approves the invoice before processing payment. The Council ensures that expenditures are in line with the approved budget and seem reasonable in relation to the amount of time and work expected of the subrecipient, ensures that expenses are in agreement with the programmatic plan and work completed, ensures that expenses invoiced are allowable per the subaward agreement and the prime award, excludes any potentially unallowable items listed in the reimbursement request such as food/ meals/ entertainment/ alcohol, etc., requests backup documentation as deemed appropriate, and at the end of the award, ensures that subrecipient activities are completed. 4) Project activities overview: the Council monitors subrecipient activities throughout the program period via conference calls, periodic workgroup meetings, reviewing product phases and approving completed deliverables. All project activities and deliverables must be approved by the Council as to quality and quantity before any payment is made.

Provide the information, explanation, or descriptions required for Part I, lines 1a, 1b, 3, 4a, 4b, 4c, 5a, 5b, 6a, 6b, 7, and 8, and for Part II. Also complete this part for any additional information.

Schedule J, Part I, Line 3 - The compensation for the Chief Executive Officer (CEO) is determined by the President of the Board of Directors. The President receives input on the amount of compensation from the Executive Committee and Directors. The CEO determines compensation for the senior management positions within the organization based upon an established compensation plan (the CEO is also covered under the compensation plan). Annually, the Finance Committee reviews comparability data for all senior management positions and makes a presentation of the comparability data to the full Board of Directors in executive session. The Board then discusses the comparability data and makes a decision with a vote of the full Board of Directors as to the reasonableness of the organization's executive compensation. The deliberation is contemporaneously substantiated in the written minutes of the meeting.

Name of the organization

NATIONAL COUNCIL OF JUVENILE & FAMILY COURT JUDGES

Employer identification number

36-2486896

Form 990, Part VI, Section A, Line 6 - The Council is a judicial membership organization, as well as a charitable, educational organization

Form 990, Part VI, Section A, Line 7a - The Council members with voting privileges include judicial members (Active members), past presidents (Life members) and private sector individuals or organization representatives (Sustaining members). The Nominating Committee recommends judicial candidates to the Voting members. Voting members elect judicial Directors at the Annual Conference by majority vote. Private sector Directors are elected by the Board of Directors. If there is a tie vote after the casting of 3 ballots, the Presiding Officer shall be called upon to cast a vote in order to break the tie. If a judicial Director position becomes vacant, the position remains vacant until the next Annual Conference, unless the Executive Committee determines it is necessary to fill the vacancy or the number of Directors falls below the minimum. If either occurs, the vacancy will be filled from candidates interviewed by the Nominating committee at the previous Annual Conference by majority vote of the remaining Directors until the next Annual Conference, at which time the vacancy will be voted upon by the members with other open Director positions to fill the remainder of the unexpired term. The Voting members shall have the right to fill such unexpired term of office (whether or not the same had been temporarily filled by the remaining Directors) at any meeting of the Members called for that purpose. If a private sector Director position becomes vacant, the office shall be filled by a majority vote of the remaining Directors, at such time a viable candidate becomes available and is recommended by the Development Committee. Any person may, in recognition of outstanding service and contribution to the furtherance of the purposes of this Council, be elected an Honorary Member of the Council upon recommendation of the Board of Directors and approval at the next annual meeting of the members entitled to vote.

Form 990, Part VI, Section A, Line 7b - Voting members vote on the following items: Bylaws amendments are submitted to the Governance Committee, and proposed to the Board of Directors at their next meeting. Amendments should be considered and approved or disapproved by majority vote of the Directors. Bylaws or Articles of Incorporation amendments approved by the Board of Directors should be noticed to voting members days prior to the Annual Conference membership meeting. Provided a quorum is present, Bylaws or Articles of Incorporation amendments will be considered effective if two-thirds of voting members approve. A petition signed by 20% of voting members can place any proposed amendment to the Bylaws or Articles of Incorporation on the agenda for voting upon at the Annual Conference membership meeting, provided that the petition is presented to the President 60 days prior to the Annual Conference membership meeting. Notice to the voting membership must be provided 30 days prior to the meeting. Notwithstanding the above, except for Articles regarding extraordinary transactions, the Bylaws or Articles of Incorporation may also be amended at any time by a vote of two-thirds of the Board of Directors provided the Board has noticed and solicited input from the membership 30 days prior to voting on the proposed amendment. All Extraordinary Transactions (as defined below) must be authorized and approved by a majority of both (1) the Board of Directors, and (2) the Voting Members at a meeting called for such purpose where a quorum is present. The term "Extraordinary Transactions" shall mean each of the following: (a) any lease, exchange, transfer, mortgage or other disposition of all, or substantially all, the assets of the Council (provided, that the Directors shall have the power to abandon such proposed sale, lease, exchange, transfer, or other disposition, subject to the contract rights of third persons, if such power of abandonment is conferred upon the Directors by the terms of the transaction or by the same vote of the voting Members and at the same or any subsequent meeting of the voting Members at which the transaction is authorized by the Members), (b) any merger or consolidation of the Council into another corporation, provided, however, that the surviving or new corporation, as the case may be, resulting from such merger or consolidation must be a corporation, either domestic or foreign, organized for charitable and/or educational purposes, (c) confession of a judgment against the Council, (d) any assignment for the benefit of creditors or filing of a voluntary petition under the federal Bankruptcy Code or state insolvency law on behalf of the Council, (e) any action in contravention of these Bylaws or the Council's Articles of Incorporation, and (f) approval of the voluntary dissolution of the Council or revoking proceedings therefore. Policy statements and resolutions represent the official positions of the Council. Resolutions or policy statements presented to the Board but not passed by a two-thirds majority of the Board of Directors, are presented to the membership at the annual meeting and adopted by a majority vote. Recommendations to support legislation shall be adopted if approved by a majority vote of the voting members of the Board of Directors. If the recommendation is adopted by less than a two-thirds vote of the entire Board of Directors, a motion by three or more Directors may request the matter be submitted to a vote by the membership of the Council. A majority vote of the members voting shall adopt the legislative recommendation.

Form 990, Part VI, Section B, Line 11b - The Chief Financial Officer (CFO) prepares a timeline for preparation and review of the Form 990 subsequent to the issuance of the audited financial reports. Also at that time, the CFO makes a presentation to the Board that addresses any changes that may have occurred in reporting requirements since the last filing, if any. The Form 990 is prepared based on the audited financial statements. Typically due to timing, an extension of time to file is needed to ensure a complete and accurate return. The return is prepared by the CFO and forwarded to the independent accountants for review. The Form 990 is then sent electronically to all members of the Board of Directors for review and comment. Approximately a week is allotted for Board review prior to the filing of the return

Form 990, Part VI, Section B, Line 12c - Conflict of Interest Policy All Council employees and Board members are required to complete a Conflict of Interest (COI) Training within 30 days of date of hire or joining the Board. Employees, officers, Board members, committee members and others are also responsible for reading the COI policy, signing the COI Policy Acknowledgment Form and Disclosure Form, and returning them as directed. These forms must be signed annually or as necessary. The purpose of the Conflict of Interest Policy is to protect the Council's interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer, staff member, committee member or director of the organization or might result in a possible excess benefit transaction. No Officer, Board of Directors member, committee member, director or employee of the Council shall participate personally through decisions, approvals, disapprovals, recommendations, or other actions in any circumstance or particular matter involving the expenditure of grant or contract funds where, to his or her knowledge, he or she, his or her immediate family, business partners, or organizations other than the Council in which he or she is serving as an officer, Director, partner, or employee, or any person or organization with whom the employee is negotiating or has any arrangement concerning prospective employment has an apparent or actual financial interest in the transaction. The CEO shall make the determination as to whether in any given situation recusal will be sufficient to mitigate the apparent or actual conflict of interest, or in the case of the CEO, such determinations will be made by the President of the Council. In the case of an apparent or actual conflict of interest involving Officers, Directors, or committee members, such determinations will be made by the Audit Committee or the Council Conduct Committee, depending upon the nature of the conflict. In addition, in the use of grant or contract funds, interested persons should avoid even the appearance of: Using his or her position for private gain; Giving preferential treatment to any person; Losing complete independence or impartiality; Making decisions outside normal administrative procedures; or, Adversely affecting the confidence of the public in the integrity of the Council and its programs. The Audit Committee shall address all reported concerns or complaints regarding corporate accounting practices, internal controls or auditing, and shall be immediately notified of any such complaint. All individuals within the organization, including Officers, Board of Directors members, directors, employees, and committee members will be required to sign a Conflict of Interest Policy Acknowledgment Form and Disclosure Form annually and as required through the year. It is prohibited for relatives to occupy positions in which one supervises the other or is in a position to exert direct influence on the appointment (including temporary), promotion, transfer, pay or discipline of the other. For purposes of this rule, "relative" includes: one's husband, wife, son, daughter, mother, father, brother, sister, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, father-in-law, aunt, uncle, niece, nephew, stepparent, or stepchild; an individual residing in the same household as the employee; or an individual sharing a committed, personal relationship with an employee. The COI Policy defines interested persons, financial interests, and other interests. The Policy outlines procedures regarding duty to disclose, addressing a conflict of interest and violations of the COI Policy. Records shall be kept of all deliberations of the appropriate authority. The Policy states what shall be covered in the Acknowledgment Form and mandates periodic reviews. Adherence to the COI is monitored by the CEO's Office, Chief Administrative Officer and Chief Financial Officer. Human Resources is responsible for providing each new employee with the Conflict of Interest policy and forms and a timeline for returning the Acknowledgment and Disclosure forms to the Executive Assistant. Annual dissemination of the policy and forms is conducted for staff at the beginning of the calendar year, and for Board and Committee members after committee appointments are made by the Council President, either July or August of each year. Periodically throughout the year, reminders are given, asking that new Disclosure forms be submitted if there is anything new to report since the individual last completed a Disclosure form. Receipt of the Acknowledgment and Disclosure forms are tracked by the Executive Assistant. Forms received by staff are then forwarded to Human Resources and maintained with personnel records. Forms received from Board and Committee members are maintained in the CAO's office. Followup is done by staff, or referred to the Executive Committee to ensure that each Board member or staff, and relevant Committee members, submit the Acknowledgment and Disclosure forms annually, at a minimum. Each Disclosure form is reviewed for responses, relationships or any potential conflicts are recorded on a master disclosure list, and potential conflicts are reviewed and acted upon according to procedures outlined in the COI Policy.

Form 990, Part VI, Section B, Line 15 - The compensation for the CEO is determined by the President of the Board of Directors. The President receives input on the amount of compensation from the Executive Committee and Directors. The CEO determines compensation for the senior management positions within the organization based upon an established compensation plan (the CEO is also covered under the compensation plan). Annually, the Finance Committee reviews comparability data for all senior management positions and makes a presentation of the comparability data to the full Board of Directors in executive session. The Board then discusses the comparability data and makes a decision with a vote of the full Board of Directors as to the reasonableness of the organization's executive compensation. The deliberation is contemporaneously substantiated in the written minutes of the meeting.

Form 990, Part VI, Section C, Line 19 - The organization's governing documents, conflict of interest policy, audited financial statements, and Form 990s are available on the organization's website and available on request (either electronically or hard copy).

information needed to make the best decisions for children and families, to coordinate related cases to minimize the stresses and burdens among families who are involved in multiple systems and to minimize and address trauma experienced by families seeking justice. The Council also performs research and evaluation in areas such as dependency court improvement, compliance with the Indian Child Welfare Act, and disproportionality in child welfare. Research focusing on Enhanced Resource Guidelines recommended best practices have yielded important findings for the field examining processes and outcomes related to family engagement, hearing quality, alternate dispute resolution, parent/child representation, time-certain calendaring, and the one-family, one-judge practice. A number of resources and tools resulting from projects were published, including: A Snapshot of the Implementation Sites Project; Disproportionality Rates for Children of Color in Foster Care; Indian Child Welfare Act Benchbook and Lessons Learned from Judicial Leaders about Sustaining Systems Change. Juvenile Law Programs' School-Justice Partnership Project continues to expand its knowledge from the field for the National Resource Center for School-Justice Partnership by providing tools, resources and information for jurisdictions to enhance collaboration and coordination among schools, mental and behavioral health specialists, law enforcement and juvenile justice officials to help students succeed in school and prevent negative outcomes for youth and communities. This project also provides training through an institute and a webinar series, as well as technical assistance to assist court-school teams nationwide. The Juvenile Drug Treatment Court Community of Practice project added three new Learning Collaborative Sites. In addition, cohorts of seven JDTC Learning Collaborative Sites are participating in an evaluation of the Juvenile Drug Treatment Court Guidelines. The Council will support this evaluation effort by providing training and technical assistance to the teams as they align their practice with the JDTC Guidelines. The Council is currently revising the Juvenile Delinquency Guidelines (JDG) with funding from the State Justice Institute. The Juvenile Delinquency Guidelines are the definitive publication on juvenile justice and delinquency. The update will bring the JDG update incorporating current research on adolescent development, equity, and best practices. In addition, the format of the JDG will be updated to create an interactive searchable online index. NCJFCJ, in partnership with Annie E. Casey Foundation (AECF) and the Council of Juvenile Correctional Administrators (CJCA), is hosting the Juvenile Justice Reform Champions Convening to bring together stakeholder teams to learn about strategies for promoting higher expectations of care for youth in secure placement. Teams will work on plans to advance reforms in their respective states to reduce recidivism by increasing adolescent- and therapeutically- oriented services and supports in secure placement as well as in community-based alternatives.
